

01 EXPERIENCE

APR 2025 - NOW ●
ISTANBUL

Senior Service Designer · Wunder Innovation Studio

- Lead end-to-end UX/UI and service design for digital products, from problem framing and user flows to prototypes, testing, polished interfaces, and developer handoff.
- Translate complex briefs and AI-driven ideas into clear workflows, interaction models, and scalable product experiences.

APR 2023 - APR 2025
ISTANBUL

Service Designer · Wunder Innovation Studio

- Designed web and mobile experiences, including dashboard and app flows, from early wireframes to high-fidelity prototypes and delivery.
- Built reusable UI patterns and visual systems to improve consistency across screens and touchpoints.

JAN 2022 - JAN 2023
ISTANBUL

Content & Community Lead · YetGen, volunteering

- Created educational content around design, creativity, and digital skills, and facilitated workshops for student communities.

JUL 2021 - JUN 2022
BARCELONA

Product Designer & Intern · Hiroshi Tsunoda Design Studio

- Developed product, lighting, and furniture concepts from research and ideation through 3D prototyping, material exploration, and presentation.
